\*SRA-E encourages risk professionals from Eastern Europe to attend the conference. SRA-E offers a special discount for conference attendees from Eastern European countries. We would like to incentivize Eastern European risk professionals to engage actively with the risk community on the occasion of this year's annual meeting in Potsdam, Germany.

The discount applies to conference attendees from the following countries:

- Albania
- Armenia
- Azerbaijan
- Belarus
- Bosnia and Herzegovina
- Bulgaria
- Croatia
- Czech Republic

- Estonia
- Georgia
- Greece
- Hungary
- Kosovo
- Latvia
- Lithuania
- Moldova
- Montenegro
- North Macedonia
- Poland
- Romania
- Russia
- Serbia
- Slovakia
- Slovenia
- Turkey
- Ukraine

\*\*The Society for Risk Analysis (SRA) is an international, interdisciplinary professional society devoted to risk analysis, perception, assessment, management and communication. There are nearly 2,000 members of SRA worldwide from a wide range of institutions. Our members are students and professionals from federal, state and local governments, small and large industries, private and public academic institutions, not-for-profit organizations, law firms and consulting groups. With society chapters across the globe and numerous special interest groups, there are opportunities every month for members to be involved in SRA activities.

#### Member Benefits:

- Become part of a thriving community of individuals committed to excellence in risk analysis theory and practice
- Contribute to the growth of risk analysis as a science and profession
- Receive online access and print copies of *Risk Analysis: An International Journal*
- Receive monthly e-newsletters with the latest news and engagement opportunities
- Join and/or host webinars and receive access to our library of past webinars
- Access the membership directory to connect and network with other risk analysts
- Attend SRA meetings at reduced rates
- Apply for grants through SRA's Strategic Initiatives Fund
- Opportunities to receive awards and recognition from peers
